STATE	WAR	NAVY	JUSTICE

1. It has been reported that Soviet field guns erected in many places along the Black Sea coast between Burgas and Tzarevo have now been removed and sent in the direction of the Turkish frontier.
2. The Soviet troops on "Papaz Adasi" (presumably Aios Petres or Petr) Island are said to have left at the end of August. The barracks were dismantled and moved.
3. Soviet motor vessels were erecting targets at sea near Tzarevo for short-range practice firing by machine guns and infantry, and long-range firing practice by artillery.
